

bitmap	To display a bitmap on the menubutton, set this option to a bitmap name.
bd	The size of the border around the indicator. Default is 2 pixels.
cursor	The cursor that appears when the mouse is over this menubutton.
direction	Set direction=LEFT to display the menu to the left of the button; use direction=RIGHT to display the menu to the right of the button; or use direction='above' to place the menu above the button.
disabledforeground	The foreground color shown on this menubutton when it is disabled.
fg	The foreground color when the mouse is not over the menubutton.
height	The height of the menubutton in lines of text (not pixels!). The default is to fit the menubutton's size to its contents.
highlightcolor	Color shown in the focus highlight when the widget has the focus.
image	To display an image on this menubutton,
justify	This option controls where the text is located when the text doesn't fill the menubutton: use justify=LEFT to left-justify the text (this is the default); use justify=CENTER to center it, or justify=RIGHT to right-justify.
menu	To associate the menubutton with a set of choices, set this option to the Menu object containing those choices. That menu object must have been created by passing the associated menubutton to the constructor as its first argument.
padx	How much space to leave to the left and right of the text of the menubutton. Default is 1.
